TCxCC/0 Kick-off meeting at Elisava 6th April 2019

Post- Seminar notes

Collaborative cities and design, DESIS DxCC Launching Seminar has been held in the framework of the International Days of Deans and Design Experts Conference in Elisava the 6th April, from 17:00 to 19

The meeting has been attended by representative of the DESIS Lab of Barcelona, Shanghai, Milano, New York and London. In line there have been several other participants. In particular: Malmo, Genk Curitiba and Rio.

The meeting program included (1) a short introduction on the DxCC motivations, methodology and program, (2) the presentations of the participating DESIS Labs and (3) the discussion on the roadmap for the next year activities.

All the presentation discussed the proposed initiatives as city-making projects, considering their city making and collaborative profile (see the 4+4 guidelines proposed in the “Working hypotheses” section of the TCXCC introductory notes).
